ABOUT ME

Bilingual third-year Bachelor's student in Information Systems with a strong interest in technology, information systems, and project management. I am eager to apply and further develop my technical and professional skills through hands-on experience in a dynamic environment, while continuously learning from real-world projects and challenges.

PROFESSIONAL EXPERIENCE

ONOMA — Founder & Web Developer
Entrepreneurial Venture **01/2026 – Present**

- Designed and developed the platform.
- Implemented features for both buyers and sellers.

Togolese Water Company (TdE)
Internship **07/2026 – 09/2026**

- Designed the new interface for the official TdE website using Figma, improving user experience and overall usability.
- Developed a statistical analysis application to process data, generate visualizations and automatically produce statistical reports.

WordPress Developer
Personal Project **10/2024 – 12/2024**

- Designed and managed a blog and fan page using WordPress.
- Integrated multimedia content, including text and images, and improved the user interface.

VOLUNTEERING

Togo Code Run (TCR)
Logistics & Communications Officer **11/2025 – 09/2026**

- Coordinated event logistics.
- Managed participant registrations and reception.
- Handled social media communications.

Tech Campus Club (TCC)
TCC Co-Lead **12/2025 – 06/2026**

- Coordinated community activities and initiatives.
- Organized workshops, training sessions, and events.
- Managed a team of volunteers and delegated tasks.
